MAIN CONFERENCE TOPICS

Opening Address

The Gift of Gab

Conor Cunneen

Learn the power of the Gift of GAB (Goals, Attitude, Behavior) and how the Gift of GAB can impact every environment in a positive manner. Participants will learn through powerful examples, storytelling, and a dollop of Irish humor that will ensure education, energy, an improved work environment, and continued excellence.

Keynote Address

The Role of Nurses in Population Health

Linda Burnes-Bolton, DrPH, RN, FAAN

Discuss the changing demand for nursing care within and outside acute care settings.

Town Hall: Evidence-Based Implications for Nurse Staffing

Linda Yoder, PhD, MBA, RN, AOCN, FAAN

In this town hall, evidence-based issues related to staffing will be discussed.

General Session: Evidence-Based Practice RN Beliefs

Linda Yoder, PhD, MBA, RN, AOCN, FAAN

Implementation of evidence-based practice (EBP) is essential to ensure quality patient outcomes and care, but nurses do not consistently use evidence in practice. This session will address ways to strengthen medical-surgical nurses' beliefs in and implementation of EBP in their practice environment.
